the House of the Lord

# Says Come

## STOP, MAN!

...where goest thou? Your struggle is for naught. One can't run away from duty nor from God. The strong arm of conscience, the love of a friend or the power of God won't let one go.

Make no mistake: He is able to hold his children and bend their wills to His. *This man is desperate because his aim is low.*

He is a timid coward whose church attendance record is now non-existent. But wait. God can still perform miracles and *does touch us on the shoulder every time we*

*would go astray.* Business successes and friends in big numbers won't help much when the end of the way is nigh.

It takes a touch on the shoulder from God to satisfy man in his last hour. Stop, right now!

*That may be God touching your shoulder*

## U. S. Mourns Death of Adm. W. F. Halsey

FISHERS ISLAND, N.Y. (AP)—  
President Eisenhower led the  
nation today in mourning the  
death of Fleet Adm. William F.  
(Bull) Halsey.

Halsey, 78, died here Sunday of  
a heart attack while vacationing.

He gained fame as the admiral  
who chased the Japanese fleet to  
its death in the Pacific in World  
War II.

Eisenhower, who heard the news  
of Halsey's death at Gettysburg,  
Pa., said he had lost a warm per-  
sonal friend, and the nation one  
of its "great natural leaders."

"His great personal contribution  
to the successful campaigns in the  
Pacific and the exploits of the  
forces under his command are a  
brilliant part of American mili-  
tary history," said Eisenhower.

Secretary of the Navy William  
B. Franke said in Washington  
that Halsey "leaves a heritage of  
inspiration to those now in the  
Navy."

Another great military figure of  
the Pacific war, Gen. Douglas  
MacArthur, said, "He was one of  
our greatest admirals, and his  
name will always be associated  
with our great victory over Japan."

Three break-ins were reported to  
Hope City Police last night but  
only a small amount of money was  
involved.

Officers said Southwest Wire  
Products reported from \$10 to \$15  
was taken from a desk drawer.  
Entrance to the building was made  
through a window on the north  
side.

A billfold containing \$7 was tak-  
en from Al's Barberie. The thief  
entered the building through a  
window.

Byer's Antique Shop was enter-  
ed through a rear door but so far  
as could be determined nothing  
was missing.

yesterday.

amendments and to make  
them more effective, Chenev said.

He made the study in a tele-

## Texarkana Girl Miss Hospitality

LITTLE ROCK (AP)—Jo Ann  
Vanderbilt is the 1959-60 "Miss Ar-  
kansas Hospitality."

The selection was announced in  
connection with the all-star high  
school football game here Satur-  
day night.

Donna Axum of El Dorado was  
second, and Teresa Miller of Can-  
talia was third.

## Dollarway Told No Delay in Admitting Three

PINE BLUFF, Ark. (AP)—A  
petition urging Gov. Orval E. Fa-  
bous to take steps to prevent racial  
integration at the nearby Dollar-  
way School was reported in circula-  
tion today.

A man, who declined use of his  
name, said such a petition was  
being presented to the patrons of  
the Dollarway School District for  
their signatures.

He said the petition should con-  
tain more than 500 names when it  
is ready for submission to Fab-  
bus later this week.

At Little Rock today, U. S. Dis-  
trict Judge Axel J. Beck denied the  
Dollarway School Board's peti-  
tion for a stay of his order to  
admit three Negroes to the Dol-  
larway School.

School board attorney Herschel  
H. Friday had sought the delay  
pending an appeal of Beck's or-  
der.

"We the citizens of the Dollar-  
way School District do hereby peti-  
tion you, for relief from the il-  
legal federal court orders and in-  
junction which deprive us of our  
constitutional rights under the re-  
publican form of government and  
the inherent right to govern our  
schools through our elected rep-  
resentatives."

"Federal court injunctions will  
not only deprive us of local con-  
trol of our schools but will destroy  
our constitutional guarantee of re-  
dress of our grievances."

"We the undersigned plead that  
you will use all the forces at our  
command to put down this insur-  
rection."

The spokesman said the petition  
was a move on the part of  
individual parents and was not  
sponsored by the newly-organized  
Dollarway Branch of the Pine  
Bluff Citizens Council.

In the Little Rock development  
Friday had sought quick action  
on his motion so the Dollarway  
District could start pupil assign-  
ment procedures this week.

The attorney challenged the de-  
cision admitting the Negroes to  
the school. He said the court had  
taken over the school board's func-  
tion and lacked full information  
on whether the Negroes were  
qualified for admission to Dollar-  
way.

Replying to this, Judge Beck  
cited school authorities' state-  
ments that the Negroes lived in  
the Dollarway area and repeated  
that he had no knowledge of dis-  
qualification.

## 25,000 to Enroll in State Colleges

By THE ASSOCIATED PRESS  
Arkansas colleges are expected  
to get more than 25,000 enroll-  
ments next month. This would be  
almost 10 per cent above last fall's  
registration.

The University of Arkansas may  
have over 6,200 students this fall,  
compared to 5,780 last year of-  
ficials said. Classes start Sept. 21.

Officials at Ouachita Baptist Col-  
lege at Arkadelphia said registra-  
tion of new students was running  
about 25 per cent ahead of last  
fall's enrollment of 937.

Increases were Arkansas Baptist  
University, Southwestern Baptist  
University, Southern State Arkansas  
State, Arkansas State Teachers  
and Henderson State Teachers.

## Labor Control Bill Sent to Conference

WASHINGTON (AP)—The  
Senate today sent the House and  
Senate-passed labor control bills  
to conference after repeated as-  
urances from Democratic lead-  
ers that such legislation would be  
enacted this session.

Senate Democratic Leader Lyndon  
B. Johnson of Texas made the  
motion to send the bill to con-  
ference. It was adopted by voice  
vote.

Johnson said he is willing to  
stay in Washington until Jan. 3,  
when the 1960 session will con-  
vene, if necessary to make sure  
that a labor regulation bill is  
passed.

Sen. John F. Kennedy (D-Mass.),  
author of the Senate bill who will  
head the Senate conferees backed  
up Johnson, saying there is going  
to be a bill this year.

Johnson explained he had agree-  
ments with all concerned that  
effort would be made for a rea-  
sonable time to work out a com-  
promise with the House.

Senate GOP Leader Everett M.  
Dirksen (R-Ill.), who also will  
be one of the conferees, asked for  
a definition of "reasonable time."

Kennedy said he believed it  
would be some time next week  
before the Senate delegation could  
reach the conclusion it was not  
possible to work out agreement  
with the House.

## Arkansans Find Russians Are Friendly

LITTLE ROCK (AP)—Russian  
people are friendly, a group of  
Arkansans reported yesterday af-  
ter returning here from a 12-day  
tour of the Soviet Union.

Fifteen Arkansans men spent a  
total of three weeks in Europe,  
visiting other countries besides  
Russia.

David Raborn Jr. of Carlisle,  
Ark., called the Russian people  
"the friendliest I've ever met." He  
said Russians would gather  
around the Arkansans on the  
street to question them about the  
United States.

The Arkansans travelers didn't  
think the standard of living de-  
picted in the American exhibition  
in Moscow was exaggerated. H.  
J. Gingles of Benton said it might  
even understate the American liv-  
ing standard.

The tourists said they brushed  
off questions about Little Rock  
and tried to keep conversations on non-  
political topics.

The Arkansans, all interested  
in farming, said Russian agricul-  
tural equipment doesn't compare  
with that in America. "They're  
still working a lot of horses," A.R.  
Morris of Sherill noted.

At a Baptist Church in Moscow  
the tourists reported overflow  
crowds at each of the six weekly  
services. Children, however, are  
not allowed to attend church un-  
til they are 18, the members were  
told.

Bob Biles, KARK and KARK-  
TV farm director, headed the tour.

## Makes First Plane Trip at Age of 98

NORFOLK, Va. (AP)—What  
made Passer Trimboli make his  
first trip away from New York in  
half a century by airplane?

"Because I'm a crazy man —  
crazy," said the 98-year-old re-  
tired home builder with a grin  
as he embraced his surprised  
daughter Sunday at the Norfolk  
airport.

Trimboli and his wife, 96, made  
the plane trip to see their daugh-  
ter and three grandchildren. They  
will spend a week in Portsmouth  
then return to their Cedarhurst,  
L. I., home by plane.

After that? "Certainly more  
travel," said Trimboli.

## Labor Leaders Meet to Study Next Moves

FORREST PARK, Pa. (AP)—Top  
leaders of organized labor gather-  
ed today to nurse political wounds  
from their recent labor bill defeat  
in Congress and to consider inter-  
union conflict.

Members of the AFL-CIO Ex-  
ecutive Council—the federation's  
high command—mapped plans to  
try to salvage the best bill possi-  
ble from the union viewpoint be-  
tween Senate and House-passed  
versions.

The union leaders like neither  
one, but prefer the Senate bill  
sponsored by Sens. John F. Ken-  
nedy (D-Mass) and Sam J. Ervin  
Jr. (D-NC) over the House bill  
by Reps. Phil M. Landrum (D-Ga.)  
and Robert P. Griffin (R-Mich.).  
The House bill is supported by  
President Eisenhower.

WASHINGTON (AP)—Adm.  
Arleigh Burke, chief of naval op-  
erations, said today the Soviet  
Union probably has submarines  
able to launch ballistic missiles.

## Rosensohn's License Is Suspended

NEW YORK (AP) — The State Athletic Commission today suspended the promoter's license of Rosensohn Enterprises, Inc., and his promoter's license of Bill Rosensohn.

Rosensohn promoted the June 24 heavyweight title fight at Yankee Stadium in which Sweden's Ingemar Johansson won the world heavyweight title by knocking out Floyd Patterson.

The commission and Dist. Atty. Frank Hogan's office both are involved in the promotional back-peddling of the fight.

Gen. Malvin Krulwich, commission chairman, said the commission took the action because of a violation of commission rules.

Rosensohn, who may be vacationing in Cannes, France, said he was not at home when the commission first could be held.

The commission's action also suspended as president, it turned out that Rosensohn had only one-third of the stock of the company and the balance was owned by Vincent Velella of New York.

Rosensohn held the contracts for the Johansson-Patterson fight but it also was disclosed that he had assigned these rights to Vincent Velella.

A few days ago the commission rejected Velella's application to promote boxing at St. Nicholas Arena.

## Primitive Baptists Name Moderator

HOT SPRINGS, Ark. (AP) — Elder J.P. Abernathy of Oden was elected moderator of the Primitive Baptist Churches of Arkansas at that group's closed four-day convention yesterday.

The first day of the convention was devoted to the election of officers. About 300 delegates voted to hold next year's meeting at Kirby, Ark.

## Haiti Protests Invasion at American Meet

By STANFORD BRADSHAW

SANTIAGO, Chile (AP) — Haiti protested to the Inter-American Foreign Ministers Conference today against the invasion of that Negro republic by a small band of revolutionaries.

The Haitian delegation said the invaders, who terrorized a village after landing Thursday, are believed to have come from Cuba.

This was the first case of violence formally brought to the attention of the conference, called to discuss Caribbean tension.

Haiti's foreign minister, Louis Mares, delivered the protest to Foreign Minister German Vergara Donoso of Chile, chairman of the conference.

The Haitian note, however, may be referred to the Organization of American States instead of being taken up formally by the ministers. Their meeting is scheduled to start up Tuesday.

Mares declared Haiti is "the victim of aggression whose manifest objective is to alter public order and menace the stability of a con-

## Baby Born on Plane, 9,000 Feet in Air

MEMPHIS (AP) — Suzanne Ector squaled into this world 10 days ahead of time while her mother was 9,000 feet over Missouri in an airliner.

Mrs. Hugh Ector, 27, of Argentina, B. C. Canada, gave birth to the 8 pound, 4 ounce girl with the stewardess and two male passengers as midwives.

Mother and daughter were doing fine today in a Memphis hospital where they were taken after the Delta Air Lines plane landed.

Mrs. Ector was enroute from Canada to visit her parents at Sylvestra, Miss. She felt the first faint labor pains at Chicago, but figured she would reach Jackson, Miss., in plenty of time.

The pains grew stronger and more frequent. Mrs. Ector apologetically informed stewardess Dorothy Connors that her time had come. She was assisted to the stewardess' compartment at the rear of the plane.

From the remaining 43 passengers, Miss Connors chose as her helpers Perry Miers of Shreveport, La., who is a medical technician, and C.J. Amara of Jacksonville, Fla., an insurance man.

The plane was flying over Malden, in the Missouri panhandle, when Suzanne arrived. Her birth certificate will list Memphis as the place of birth, since that's the first place she touched land.

Mrs. Ector was traveling with her 2-year-old son, David. The plane crew took him on to Jackson, Miss., where his grandparents Mr. and Mrs. P.D. Houston, were waiting.

When the maternity ward releases Mrs. Ector, she and Suzanne will resume their journey. "This has been exciting but I don't plan to do it again," she said.

## Negro May Win Election at Memphis

MEMPHIS (AP) — Segregationist fear a Negro may win a post on the City Commission in Thursday's municipal election.

The fact makes this one of the most unusual campaigns on record in this Deep South city. No Negro has ever won a city election here.

R. B. Sugarman Jr., 27, a Harvard-educated Negro lawyer, was figured such a potent possibility for public works commissioner that a strong white candidate was persuaded to withdraw from the race.

W. B. Fowler, 72, stepped out to reduce the number of white candidates "who might split the white vote to such an extent that Sugarman could be elected by a bloc Negro vote."

City Commissioners Henry Loeb and Claude Armour hailed Fowler's decision Saturday, but said at least one more white candidate should withdraw.

However, none of the remaining candidates indicated any intention of joining Fowler. They are W. W. Farris, J. F. Canale, Sam Crambers and Samuel Hawkins.

Of the 187,541 registered voters here, 57,109 are Negroes. Never before in this century have Negro candidates made such a serious bid for municipal offices. There are Negro candidates for

situational government.

His complaint noted that about 30 men with long beards and green uniforms, who were possibly Cuban revolutionaries, had landed on Haiti's south coast.

Cuban Premier Fidel Castro's brother Raul was due in Santiago as the foreign ministers of Latin America and the United States argued final details of a compromise plan to calm the Caribbean.

## Fire, Traffic Deaths Boost Arkansas Toll

By THE ASSOCIATED PRESS

A fire and two traffic accidents took three lives over the weekend, boosting the total death toll for the week.

The campaign is expected to bring changes in the Memphis election system before the next election rolls around.

The most likely change: a primary and runoff system. The primary would cut the number of candidates to the two high vote men. The runoff would choose the winner.

At present, any number of candidates may bid for a city com-

ending at midnight yesterday.

Columbus Sutton, a Negro Nabot 25 years old, burned to death when fire destroyed his four-room house near Stephens yesterday. Firemen arrived too late. Sutton's wife was in a hospital. Other survivors include five sons.

James D. Holt, 13, was killed at Fort Smith Saturday night when another car slammed into the rear of his stalled auto as he stood leaning over the engine to work on it. Linda Packard 16, driver of the other car, was arrested on a charge of negligent homicide and released on \$500 bond. She and two youths in her car were hurt.

Holt was the son of Mr. and Mrs. Harrison Holt of Fort Smith.

Eula Mae Bovlin 39, of Memphis, a Negro was killed and three persons injured Saturday night in a car-pickup truck collision at Lehi, near West Memphis, on U.S. Highway 70. She was a passenger in the car. Another passenger Elizabeth Walls, 32, had a fractured leg and the driver Luther Jones Jr. 32 had head injuries. Both are Negroes of Memphis.

Jimmy Cagle 22, of Proctor, Ark. driver of the pickup suffered head injuries State Police said. Other traffic accidents took six lives during the week. Two persons drowned one was accidental.

Road to Stardom Paved With Shattered Dreams

Dear Dorothy Dix: Whenever a girl asks your help in starting an acting career, you discourage her. I have had this ambition for several years and my mother tries to discourage me, too. You say that only a handful of girls get anywhere in the acting profession but I think a person nowadays has a very good chance of achieving fame as an actor. — Career Minded

Dear Girl: Almost every girl, especially a young teenager, aspires to a career in the glamorous professions — acting, modeling, the most demanding is acting. To achieve success as an actress you must have looks, poise, confidence, education, and talent. It's not just a matter of being very few girls have all these qualifications in the required degree. To want to be an actress isn't enough, suppose you have all the requirements, then you must study, gain experience somewhere in an acting company, book agents and theatrical producers for an audition. You must have money enough to carry you through this training period, which can be very long. You may finally be rewarded with a very small part in a very small company, still not earning calling money. Then if you are very talented — and very lucky — you may be "discovered" by someone influential enough to start you on your real career. However, figure out how many young girls there are in this country (13,171,769) and how many successful actresses there are. Now what do you think of your chances?

I don't like to be discouraging any more than you like me to be. But to give false hopes to the thousands upon thousands of girls who think they can act would be terrible. The role of "woman" takes some acting all the time. Put your talents into being a good woman and you'll find happiness. Dear Dorothy Dix: My husband has four sisters, two younger and two older than he. Right after our marriage, six months ago, they discovered I had quite a talent for sewing, and love to do it. Since then I have been constant-

ly in demand for prom dresses for the young sisters, maternally clothes for one of the older ones, and just clothes for the other. I wonder if I'm being "taken." I don't in the least mind sewing for them but don't want to be a sucker. — Nancy

Dear Nancy: Opinions may differ on this, but I think it's better to be "taken" — in a bit — than to be "left" — out entirely. Talents are given for the benefit of others. Your sisters-in-law seem genuinely fond of you, wear your creations proudly, even boastfully, and have taken you in as a member of the family. This was a closed corporation of females when you joined the ranks, so you can be quite flattered that you have been let in. Time will tell whether they are taking advantage of you, so wait and see.

Send your problem to DOROTHY DIX. Be sure to enclose a stamped, self-addressed envelope, and address her care of this newspaper.

## East Soundly Licks West by 27-6 Tally

By WICK TEMPLE

LITTLE ROCK (AP)—Arkansas high school athletics hit a new high Saturday night at War Memorial Stadium in the fourth annual all-star football game. The East team won 27-6 but the 15,000 fans that attended were more interested in the caliber of football than the score.

It was the largest crowd ever to watch a high school athletic event in Arkansas. And the 70 gridders, who will be college freshmen, were in fine form.

men this fall, put on a dazzling show.

The East fielded three tough units under a new substitution rule and the last of them succeeded in overcoming the West third team to gain a 7-0 halftime advantage. The West didn't recuperate until the last nine seconds of the game, when it pushed across its only touchdown.

East quarterback Sammy Weir of Walnut Ridge received the most valuable player award. He combined with second-unit quarterback Jim Rowland of Little Rock of Osceola to mastermind a swift offense that produced touchdowns of 67, 85, 30 and 54 yards.

But the West was not without its bright spots. El Dorado's all-American fullback Tommy Brash-33 yards and his over-center charges were jarring and impressive. And guard Ted LeMay from Lewisville turned in an excellent line job as well as an effective kicking performance.

The East's three units took turns setting up touchdowns for each other. The second unit moved 51 yards to the West 16 before the third platoon came in early in the second quarter and struck for the score.

Weldon carried one yard for the touchdown, then kicked the point. The later passed 20 yards to end Robert Crockett from Parkin for a touchdown that was called back. In the second half the East first unit, quarterbacked by Weir, moved 26 yards, then gave the ball to the second team who pushed 59 yards with Little Rock Central fullback Steve Hatcher for the last two yards.

Then the third team took a punt and moved 76 yards to the West four before the first unit came in and scored. Weir shot a lateral to halfback Donnie Dunston from West Memphis who scored from the four.

The first team, with Weir again at the helm, moved 54 yards to score after a fumble recovery by North Little Rock's Billy Joe Moody. Weir gave to halfback Charles Killett from Helena, who climbed over from the one.

Jim John of Stuttgart kicked two extra points.

The West's only score came from quarterback David Watkins of Horderby from Bentonville. The touchdown was set up by an East punt that was partially blocked by West end Delano Colton from Fayetteville.

Third team halfback Bill Curtis from Marianna, who gained 20 yards, made a sizeable contribution to the East offense with several twisting, spinning runs and a one-handed catch of a scree pass.

The East held a top heavy edge in statistics with 388 net yards down to 11. East fullback Billy Joe Moody was the leading ground-gainer with 40 yards in eight carries.

The West won the all-star basketball game Thursday night, 81-74. The football game closed the fourth annual Arkansas High School Coaches Assn. coaching clinic which drew 500 coaches from all over the state.

East scores:  
Weldon 1 run. (Weldon, kick).  
Hatcher 2 run. (John, kick).  
Dunston 4 run. (John kick).  
Killett 1 run. (kick failed).  
West scores:  
Horderby 5 pass from Watkins. (kick failed).

## Chicago Drops Game; Boston Blasts Yanks

By JOE REICHLER

Associated Press Sports Writer

They laughed last winter when Boston owner Tom Yawkey traded Jimmy Piersall, his flashy center fielder, to Cleveland for Gary Geiger, a nondescript flycatcher and Vic Wertz, a fading first baseman.

Joe Cronin, then the Red Sox general manager, and Mike Higginson, then the field manager, were in no mood for laughter. They were quite upset when Yawkey informed them of the deal—the first and only one he ever made.

"It's your club," was the substance of their lukewarm acceptance of the boss' trade.

"I'll take the responsibility," said Yawkey.

The Red Sox owner can take the bows today for one of the best player transactions ever made by the club.

Geiger, only 22, has easily been the happiest development in the Red Sox rebuilding program. He is the best-developing youngster in hitting .279 with 16 home runs and 29 runs batted in. Wertz, though hampered by injuries, is hitting .280 with seven homers and 45 runs batted in. Piersall, who lost the regular center field job in Cleveland to Tito Francona, is hitting .279 with 16 home runs and 29 runs batted in.

The pair, whose homers highlighted Boston's winning nine-run rally against the Yankees Friday night, acquitted themselves nobly in Sunday's second game, trailing 3-1 in the sixth, the Red Sox came within an eye-blink of tying the score. Geiger opened with a single, his third hit. After Pete Runnels singled, Wertz drove Geiger home with a long single, sending Runnels to third. Jackie Jensen smashed a ground ball toward left field but shortstop Cleto Boyer converted it into an inning-ending double play with a fine stop.

Mickey Mantle provided the justly hitting for New York. He drove in two runs with a home run, his 24th of the season, in the first inning and scored in the eighth after walloping a double off the bleacher wall, 461 feet away.

Home runs by Bob Cerv, Preston Ward and Russ Snyder helped veteran Ned Garver gain his ninth victory as Kansas City made it two in a row over the White Sox. Dick Donovan, making his first start for Chicago since he suffered a shoulder injury July 21, was the loser.

Three Baltimore errors prevented Washington with all but one of its six runs. Loser Jerry

ting only .240 with three home runs and 21 runs batted in.

Geiger and Wertz played key roles in the Red Sox near-sweep of a four-game series with the New York Yankees. It wasn't their fault that the Yankees won the second game Sunday, 4-2, after the Red Sox had won the opener, 6-5.

Kansas City defeated Chicago 7-2 and narrowed the White Sox' three game lead over Cleveland to one game. The Indians lost an opportunity to pick up more ground when a violent rainstorm in Detroit postponed their game in the second inning after they had scored five runs in the first. Washington whipped Baltimore 6-1.

Chicago's Cubs thrashed the San Francisco Giants 5-4 to take the series three games to one. The Cubs defeated Los Angeles 5-3. Philadelphia swept a doubleheader from Cincinnati 8-5 and 6-0. Milwaukee split with Pittsburgh, winning the second game 5-2 after the Pirates had won the opener 2-1.

The Red Sox scored all their first game runs and made all their hits—six—in the second inning, inflicting the seventh loss upon Duke Maas. Wertz ignited the six-run rally with a single. Geiger drove in the run that broke a 3-3 tie with a single.

## Giants Lose But Manage to Hold 2 1/2 Game Lead

By JOE REICHLER

Associated Press Sports Writer

Ernie Banks, Chicago's slugging shortstop, may become the first player in National League history to be voted the circuit's most valuable player in two years in succession.

Two National Leaguers—Stan Musial and Roy Campanella—won the coveted honor three times, and two others—Rogers Hornsby and Carl Hubbell—won it twice. Nobody has done it twice in succession.

Banks strengthened his claim Sunday, banging a two-run homer, his 36th of the season, as the Cubs defeated the San Francisco Giants 5-4 for their third victory in the four-game series. Ernie also was on base when Le Walls smashed a three-run homer off loser Johnny Antonelli to break a 2-2 tie.

Ernie, batting .312, leads both leagues with 112 runs batted in and is tied for the lead with Washington's Harmon Killebrew in home runs. Last year he led both leagues with 47 home runs and 129 runs batted in.

Despite the defeat, the Giants retained their 2 1/2 game lead over Los Angeles when St. Louis defeated the Dodgers 5-3. Milwaukee's third place Braves split with Pittsburgh, winning the second game of a doubleheader 5-2 after the Pirates had won the opener 2-1. Philadelphia swept a twin bill from Cincinnati 8-5 and 6-0.

Kansas City reduced Chicago's first place American League lead over Cleveland to three games, defeating the White Sox 7-2. The Indians' game in Detroit was postponed in the second inning because of rain after Cleveland had scored five runs in the first. Washington whipped Baltimore 6-1 and New York split with Boston. The Red Sox won the opener 6-5 and the Yankees took the second game 4-2.

Banks was an unexpected starter. He had been hit on the back by a pitch Saturday and doctors said it would be several days before Ernie would be able to play.

Bob Anderson was the winner but he needed help in the eighth inning from Don Elston, who struck out pinch hitter Felipe Alou with two runners on base. Willie Mays drove in two Giant runs with his 21st homer.

Larry Jackson pitched a 10-hit game as the Cards evened the four-game series with Los Angeles. Bill White and rookie Gene Oliver drove in all St. Louis' runs. White knocked in two with a single and his 11th homer. Oliver had a two-run single, and a sacrifice fly. Roger Craig was the loser. Four were ejected in the argument-filled game, manager Solly Hemminger, Don Blassingame and Ken Boyer of the Cards and Duke Snider of the Dodgers.

Bob Friend, after seven failures, finally won his 100th game, fifth of the season. The Pirates' 22-game winner of 1958 was tagged for 11 hits in the opener but his mates helped him with three double plays and a relief pitcher. Bob Porterfield came to his rescue in the ninth when the Braves got their lone run. Dick Stuart drove in both Pittsburgh runs off Juan Pizarro with a homer. Warren Spahn won the second for the Braves, doling out eight hits for his 16th triumph. Rookie Lee

First round eliminations in the Hope Country Club Championship Golf Tournament claimed three of the players who were favored to battle it out for the club title. Charles Carver, Larry Bruce and Henry Fenwick all went down to defeat in their first match. Homer Boyerley ousted Fenwick 2 & 1, while Jim Smith took Bruce out on the 20th hole in a sudden death playoff. The biggest upset came when Eric Batty surprised Carver to win one up. In the other match involving the championship fight, Mitch LaGrone took Creighton Middlebrooks out 6 & 5.

Carver, Bruce and Fenwick had all shot 87's in the qualifying round to tie for medalist. Carver won the playoff by again firing a 67.

CHARLES PORTER COMES FACE TO

# Natchitoches, La., Scene of Film 'Horse Soldiers'

—Contax photos, and map, Alex. H. Washburn

THIS IS THE FIRST OF TWO PICTURE-PAGE reports on a 1,000-mile tour of southern Louisiana which The Editor made between July 30 and August 2, gathering color photos for The Star's forthcoming Color Show.

TODAY'S REPORT DEALS WITH NATCHITOCHES, oldest town in the entire Louisiana Purchase, having been founded in 1714. The second picture-page, next week, will feature New Orleans.

NATCHITOCHES WAS FOUNDED ON CANE RIVER Lake (then Red River) because an immense log jam obstructed navigation in the main Red River channel. The log jam made Natchitoches an important trading center until 1838, when removal of the jam took away both the river and the town's trade. But the old town remains a fascinating point of interest for the tourist. Close by is the Presidio de los Adaes, near Robeline, which for 50 years was the capital of Texas and the official seat of 13 royal Spanish governors.

AS NOTED IN THE MAP, the most convenient approach to Natchitoches from Hope is to cross Red River

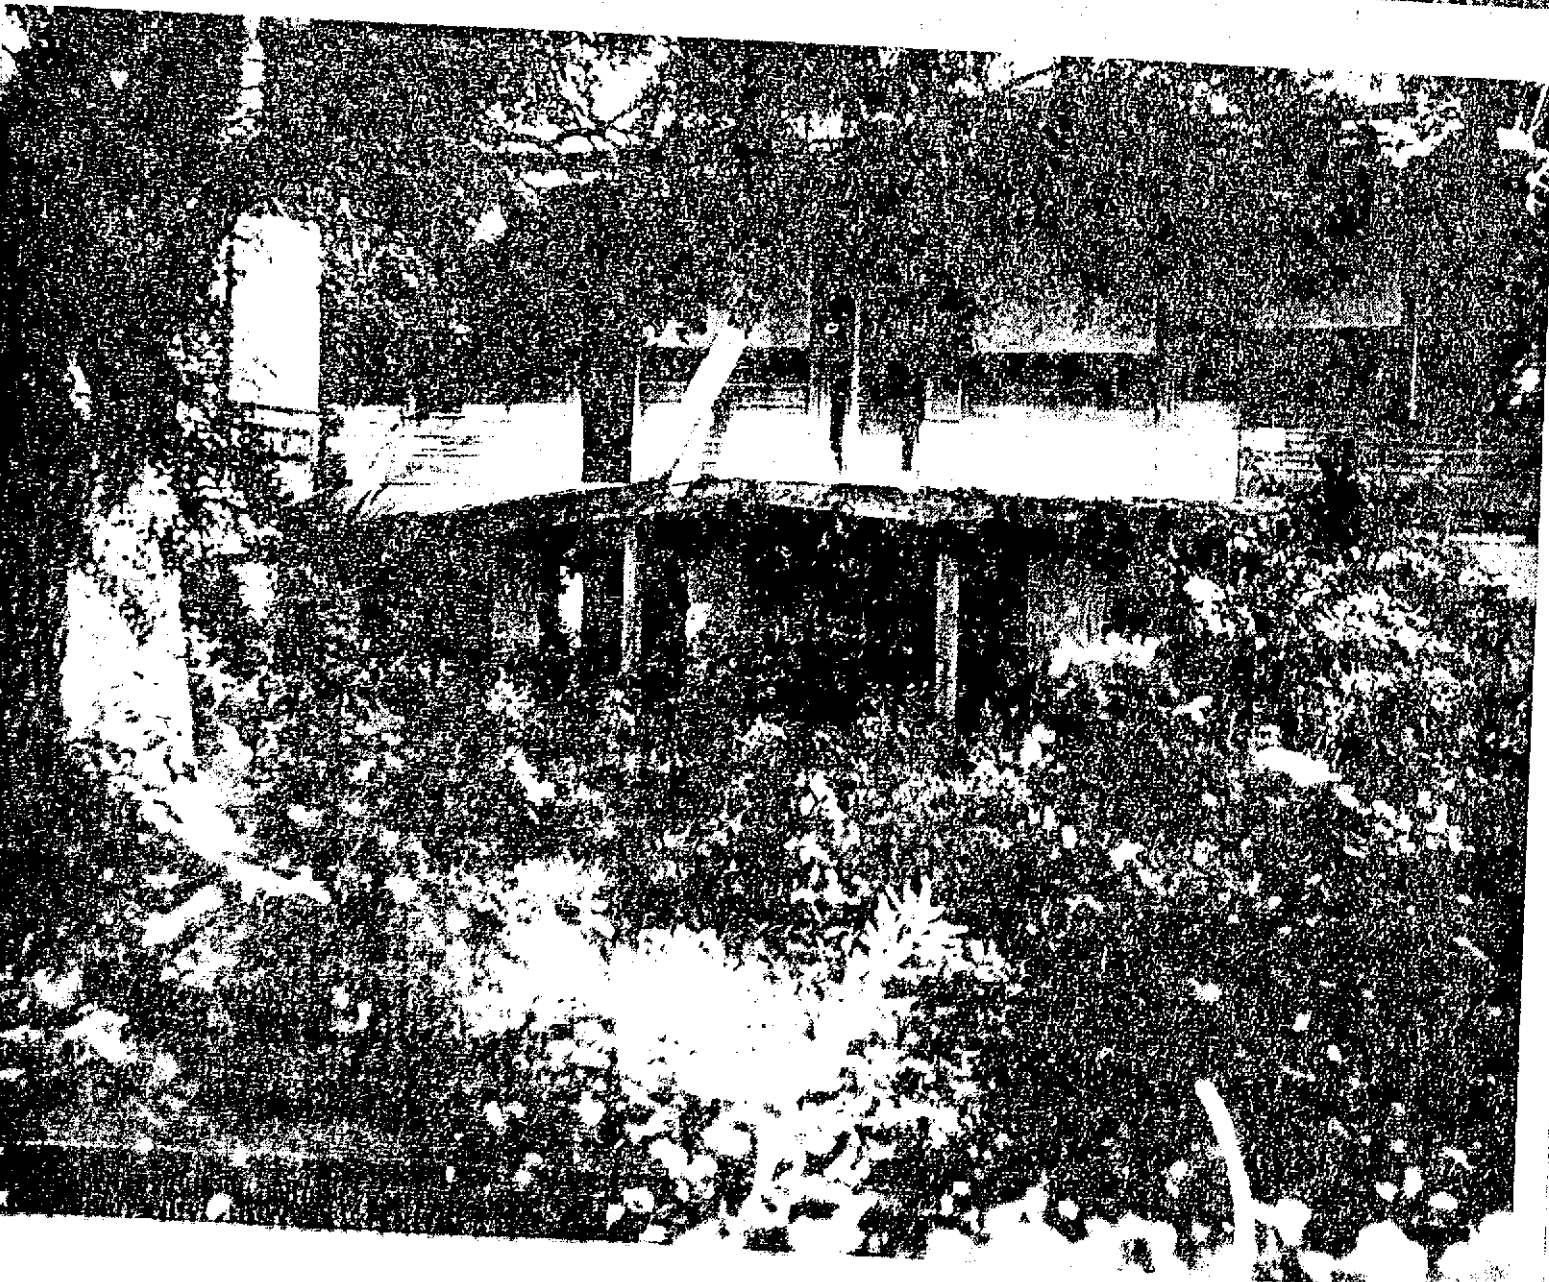

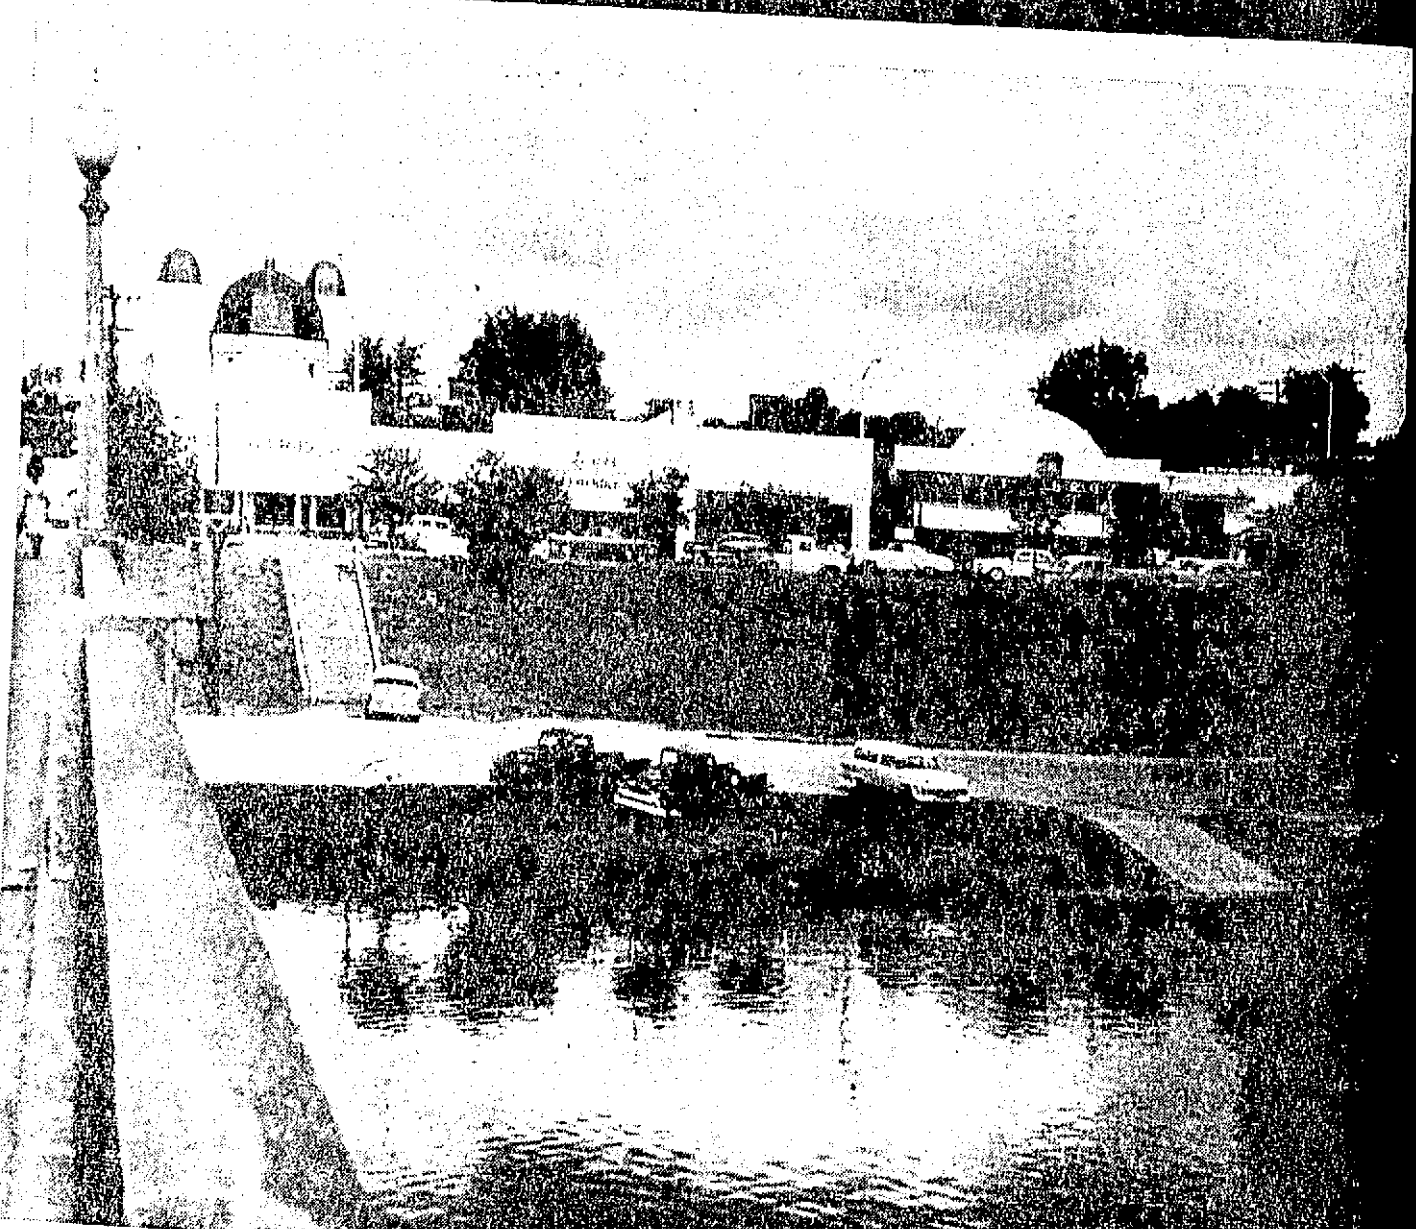

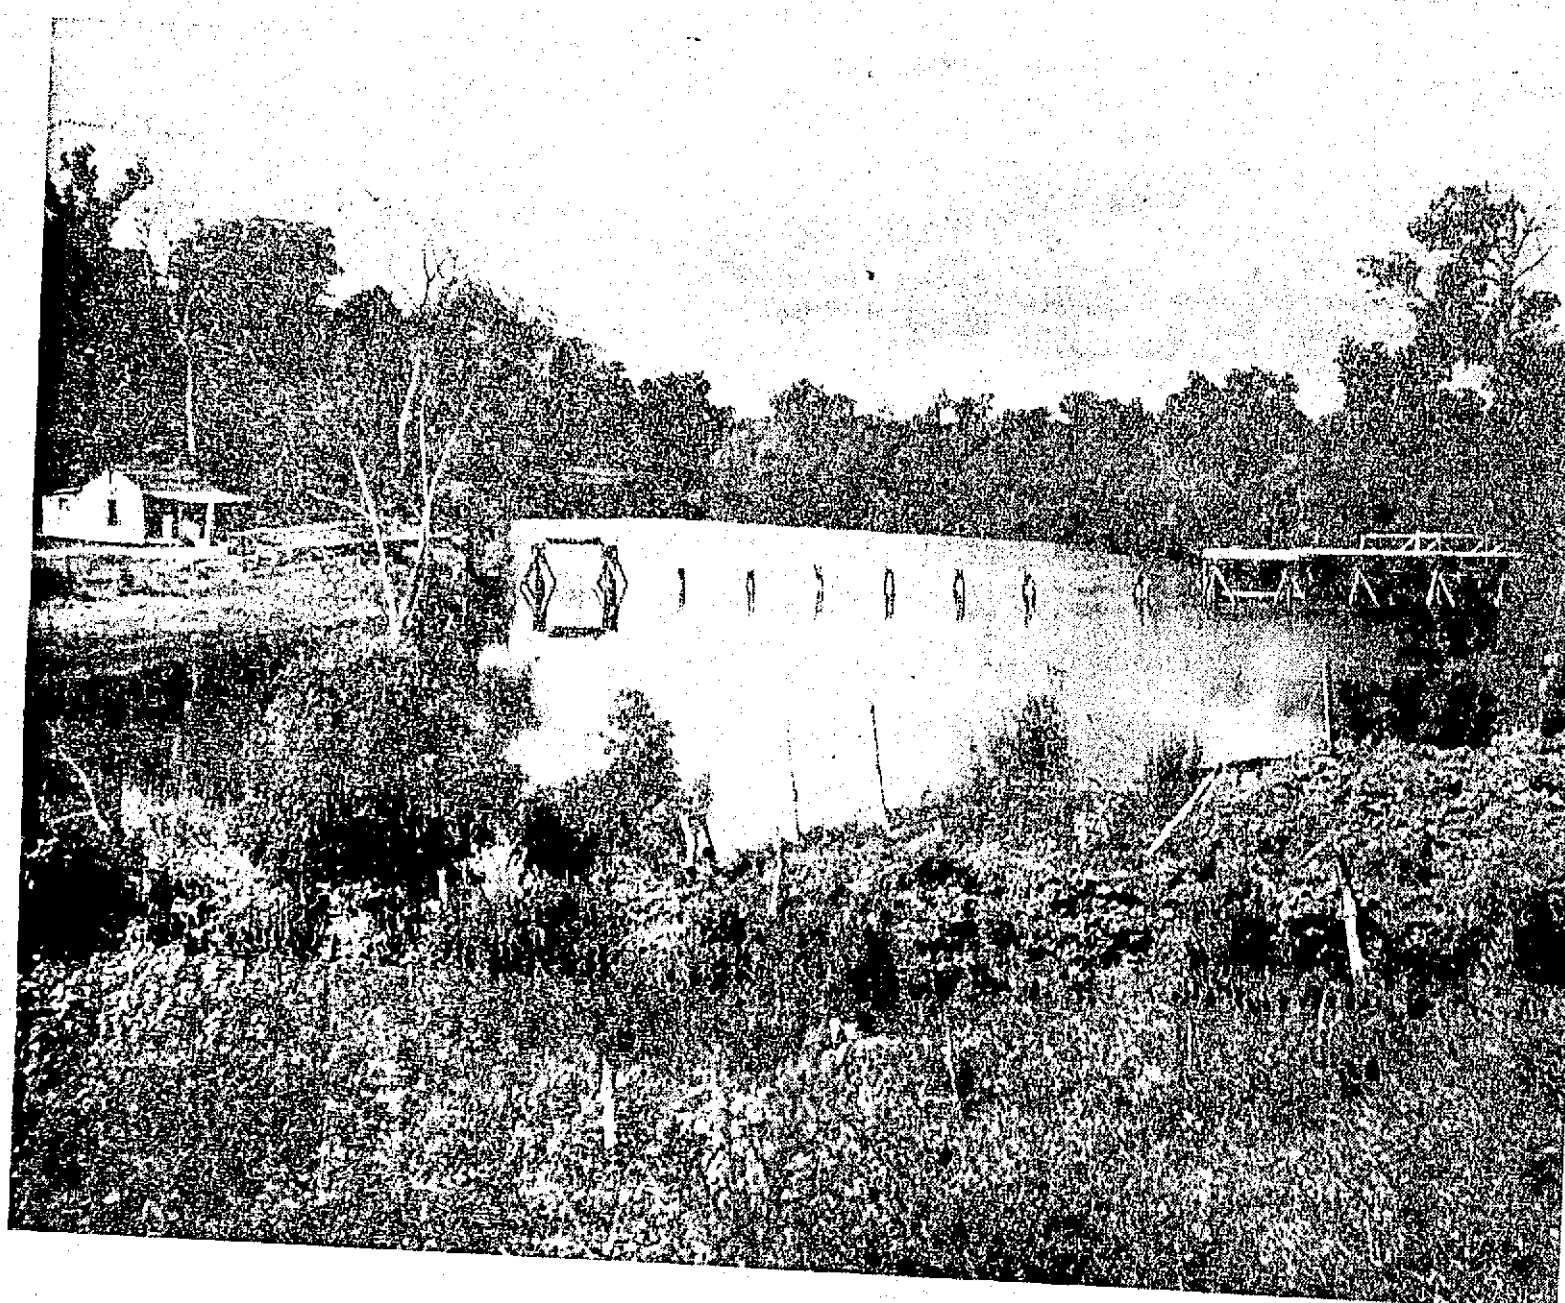

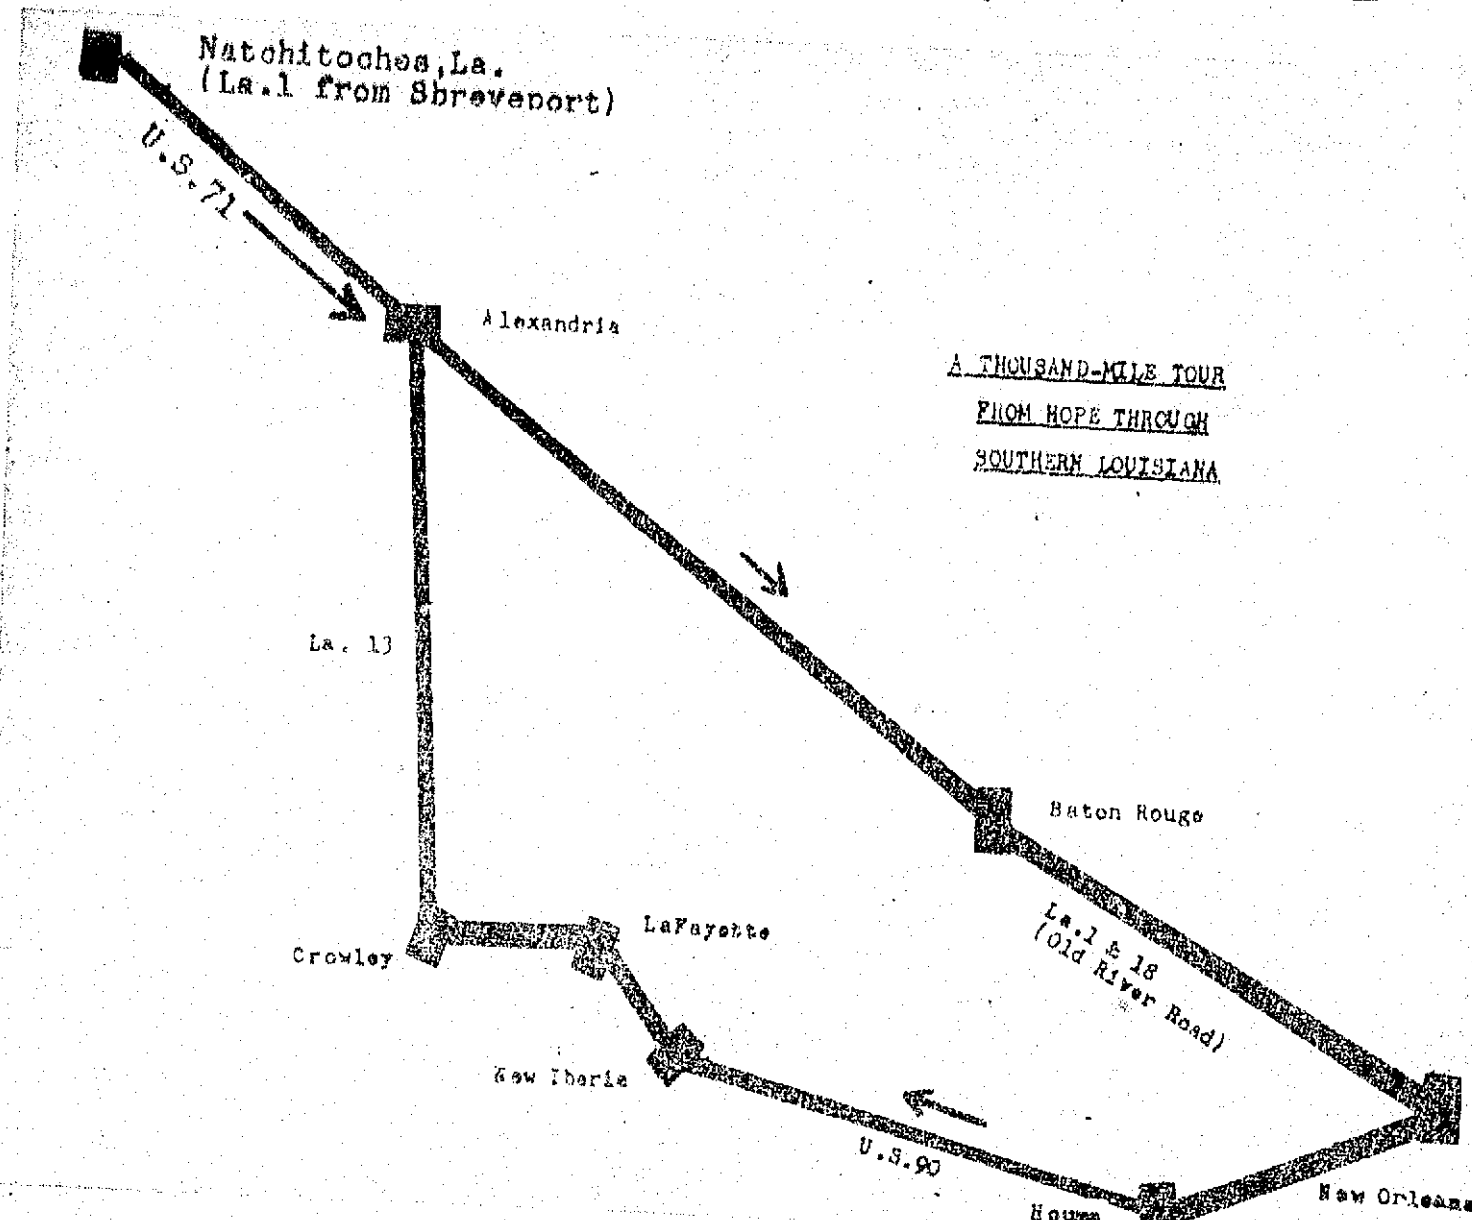

on the lower bridge at Shreveport and take Louisiana 1 highway down the south side of the river (about S. 71° on the north side).

MIDDLE LEFT PICTURE SHOWS BRIDGE across Cane River Lake by the motion picture and blown up during the action photograph of Ford's new film "The Horse Soldiers," starring Wayne, William Holden, and Constance Towers.

TOP RIGHT IS A PICTURE OF THE HOMME home which was used as headquarters in the motion picture.

POTOM LEFT SHOWS A DESERTED LUM house deep in a jungle of undergrowth on road between the bridge and town. Livestock was on the ground floor while the family lived on the two stories.

BOTTOM RIGHT IS THE WATERFRONT NATCHITOCHES, the picture being taken from the on which Louisiana No. 1 highway crosses Cane Lake.
